Dear Sir

Your favor of 26 rec'd and
as all full term passes to be good
after August 1st have to be so
stamped I telegraphed you immediately
upon the receipt of your letter with
inclosure from Mr. Blackman. rec'd
the answer to telegram this morning.

Mr. Stocks is attending to all
pass business in the Treasury Dept
and has made application for the
extension of yours in connection
with our three.

My letter of yesterday gave you all the news to date. except about passes and not knowing what Mr. Blackman letters to you contained I did not write you as I supposed they would tell you all. I surmised that they bore on this pass business.

Your letter did a fellow lots of good for it seems an age since we heard from you last.

Mr. In'Chure desires me to state as follows. I quote a pencil note he handed me.

"The Brazilian Coins received, and placed in the case."

"We would like a couple of the Isabella Quarters, Can you get them

for us or will we purchase them here at a dollar each?"

Where that you have resigned from the 2nd regiment is this so? does it mean complete retirement from military affairs?

I will send you some of the plated medals.

McClure + Keyser join me in making kindest regards to you

Very Respectfully

J. S. Beckley
